UGA's OneSource Roadmap ^{As of} 2/1/2017

 Go Live

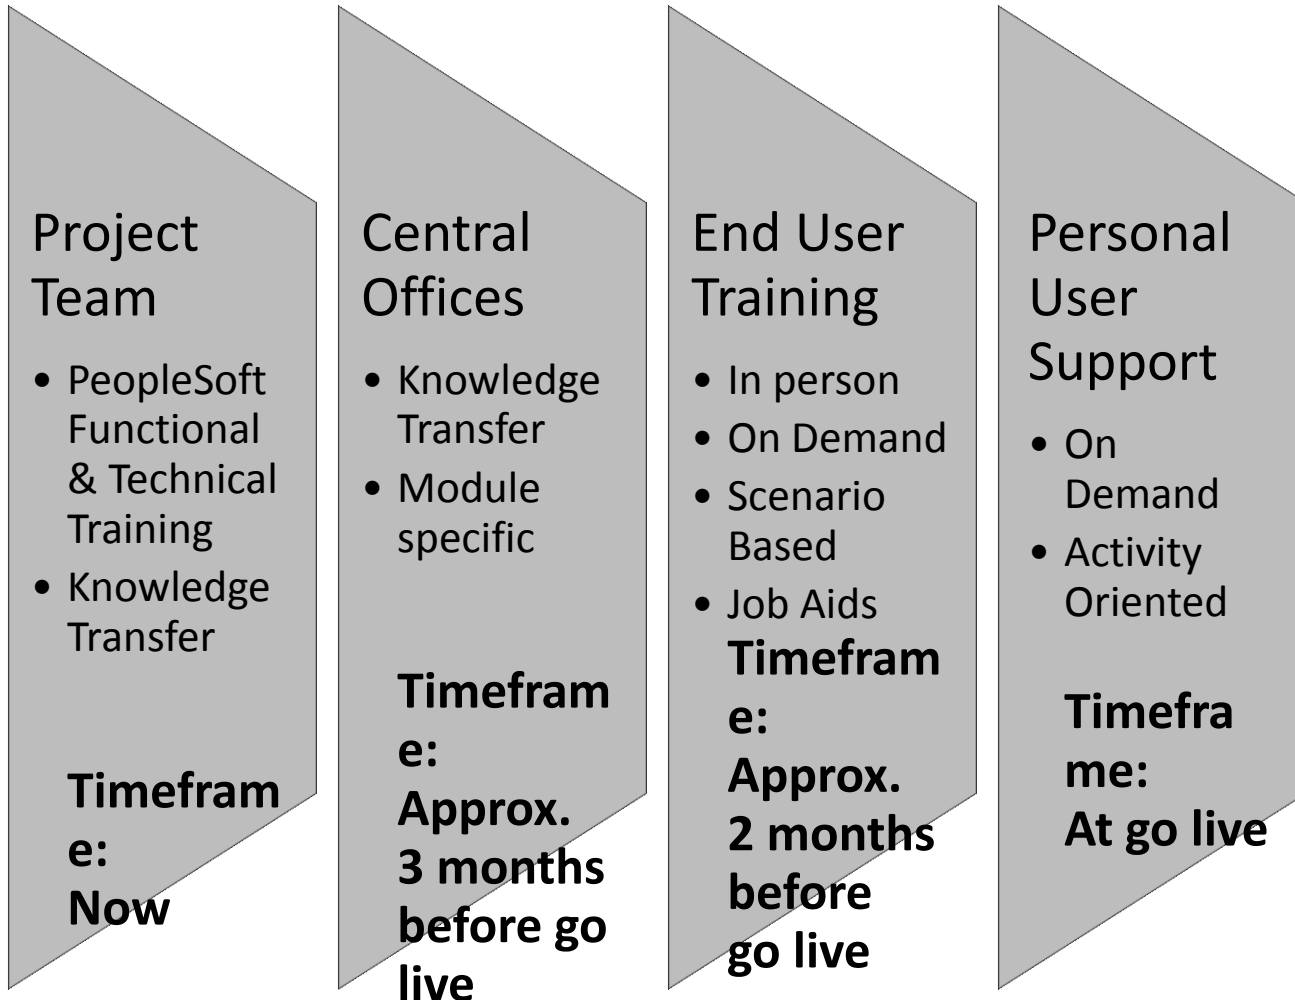

Upcoming Campus Forums

- February 22 – Chart of Accounts Session for Business Managers
- February 23 - Time and Labor Public Forum
- Late March – Reporting Public Forum
- February – March – Meetings with units on preparing departmental systems and business processes for PeopleSoft
- Campus forums are recorded and posted to website

How can I prepare for success?

- **Educate** – Website, Brochure
- **Communicate** – Regular updates via campus forums, listserv
- **Participate** - Discuss within your organization. Volunteer.
- ***Your input and questions make a difference. We want to hear from you: onesource@uga.edu.***

What type of training will I receive?

Simpler

- Data includes
 - budget, accounting and payroll transactions
 - allows “drill-down” functionality on summary level transactions.
- Available to UGA employees, who must submit a request for access and be approved by their supervisor and chief financial officer.
- Request access at <http://simpler.uga.edu>.

Please note that users must already be on the ArchPass Restricted Virtual Private Network (VPN) to access the Simpler website.

Simpler

- New Data in Simpler
 - Budget Amendments
 - Inventory
 - Others in testing stage
- Training Available
 - Courses available through Training and Development monthly
 - Online Tutorials available on Simpler home page
- Contact
 - Sarah Fraker fraker@uga.edu
